

The Cottage

13 Clarence Hill
, Devon holidays
South West England

Phone: See website

A traditional Dartmouth stone cottage retaining much of its original charm but sympathetically renovated in 2009 to a very good standard throughout. The accommodation is over three floors and is ideally suited to couples or families with older children. Fitted carpets in bedrooms and stairway, and oak flooring throughout the living accommodation at the lower level. Gas fired central heating and hot water. Strictly no smoking or pets permitted.
