Combehaven is a development of two superb houses and fifteen luxury apartments set in their own private, landscaped grounds on the site of the old Methodist Church. The development commands superb views of both the town and estuary below - there is even a communal terrace to take advantage of the position - and is located right at the heart of the community within easy distance of all the amenities of the town centre. Unusually for a location in the middle of the town, Combehaven offers excellent road access and parking secured by electric entrance gates. Set in a quiet, mainly residential area of central Salcombe yet within easy walking distance of all the amenities of the town, we are delighted to offer seven beautifully designed and equipped apartments (No's 3, 4, 5, 7, 13, 14 and 15) and two superb town houses (No's 1 and 2). The properties each enjoy the benefits of full gas-fired central heating and hot water, entry telephone system and secure parking for two cars (please note that boats and/or trailers are not permitted)- a lift runs from ground floor/car park level in each of the two main apartment buildings.
