Crabshell Quay is a development of recently constructed luxury apartments on the banks of the Kingsbridge/Salcombe estuary just a few minutes walk from Kingsbridge's shops, boutiques and restaurants, the perfect holiday destination for families or couples. A delightful waterside path leads to the town centre whilst the superb beaches at Start Bay, Thurlestone, Hope Cove and Salcombe are just a short drive away. The apartments as a whole are totally enclosed with a central private courtyard and have been equipped to a very high standard - in addition they enjoy the added benefits of private entrance lobbies, audio access, and security controlled covered parking (for one car only).
