

Flat 1, 32 Newcomen Road

The Plaice
, Devon holidays
South West England

Phone: See website

Set In the very heart of the town (next door to the 'Dartmouth Apprentice' restaurant - formerly the St. Barnabus Church) and with easy access to all local facilities including shops, galleries and pubs is this newly developed four-storey coastal town house converted into three individual holiday apartments. The building was significantly renovated and the front elevation fully redecorated in 2010, and is now an attractive landmark in this popular area of the town. Each of the flats have views over the River Dart across to Kingswear and out to sea with parking usually available in the road nearby (out of season) or in the long stay car park.
