

Boxtree Barn

Netherton Farm
, Devon holidays
South West England

Phone: See website

Netherton Farm is set in a small peaceful hamlet approximately 2 miles from Kingsbridge in a secluded valley surrounded by five acres of beautiful farm and woodland. This area is a haven for birds and wildlife and a favourite for walkers with or without a four-legged friend! Salcombe is about 7 miles in one direction and Dartmouth slightly further in the other. Slapton Sands is only 5 miles from Netherton with its spectacular rugged coastline, and Bantham Sands to the west with its wide sandy beach. The three properties at Netherton Farm, Boxtree Barn, Bay Tree Cottage and Willow Studio are all very different in design but offer all guests a high standard of accommodation in a stunning location. Each enjoys the benefit of full central heating and hot water to ensure a warm, cosy welcome at all times of the year, as well as use of the fabulous heated outdoor swimming pool (10m x 5m) by arrangement with the owners who live nearby at the Farmhouse from Easter until the end of October (weather permitting!). There is ample parking for each of the properties and a large communal grassed area for the use of all guests. For those with dogs, there is use of additional fields adjoining the farmhouse. The owners also offer a dog sitting service in their home and walled garden at a rate of £10.00 per day or £5.00 for the evening if required.
