The Granary is an extremely attractive barn conversion on two floors that features a large open plan living room with high ceiling and galleried landing. It is an ideal base for couples or families to enjoy and explore the surrounding countryside and coastal walks yet within only a short drive of Salcombe and surrounding villages. Strictly no smokers or pets permitted. Heating via night storage units and electric panel heaters. Hot water by electric immersion heater. Telephone available for all incoming calls and outgoing emergency calls only. Wireless Broadband also available.
