

# Oak Tree Cottage

---

, Devon holidays  
South West England

Phone: See website

Oak Tree is a lovely old cottage with roses around the front door. It is a perfect spot for walkers to get a real flavour of the glorious countryside and an ideal central location for families with many sandy beaches, including those at Bantham, Thurlestone and Salcombe, accessible within a short drive. Central heating included, logs by arrangement. Dogs permitted downstairs only.
