

Apartment 6 Crabshell Heights

Apartment 6 Crabshell Heights, Embankment Road
, Devon holidays
South West England

Phone: See website

New Property - January 2011. Crabshell Heights is an elegant new development of apartments with a Mediterranean style arrangement of steps, patios and pergola-covered walkways. The reconstruction includes the sensitive re-development of a former Victorian, stone customs store building adjacent to Embankment Road and all apartments are therefore within just a few metres walk of the Kingsbridge/Salcombe estuary. The apartments are all supplied with under-floor heating, fitted designer kitchens with a full range of integral appliances, a lift from the car park to all levels and high tech security that includes audio and electronic entrance controls. All apartments have a private patio or balcony as well as secure underground parking for one car each plus visitors bays.
