A rural haven promising a memorable relaxing holiday and elevated unspoiled views over beautiful countryside is the delightful location for these impressive log cabins. Winner of a gold award for green tourism and affording every luxury including hot tubs set in logged summer houses this eco holiday destination boasts new ground source heating and water and a weather compensated system using 100% renewable energy. The meadows of its organic farm setting encourage wildlife and wonderful walks from the door can take in a viewpoint to the Ochil Hills and Lomond Hills of Fife. Perth is home to fine city and leisure facilities and Scone Palace is just 10 miles. Falkland Palace (NTS) is 7 miles. Edinburgh Castle Stirling and beaches at St Andrews are about 25 miles. Golf cycling gliding riding and fishing are all nearby. Glenfarg a historic village offering a shop/P.O and excellent hotel restaurant is ¾ mile and there are five local produce farm shops within 10 minutes' drive.

New luxury log cabin offering every comfort and far reaching views. Spacious open plan sitting/dining room with fully fitted kitchen and doors to deck. Master bedroom with king size four poster bed. Luxurious large bathroom/W.C. with double jacuzzi bath separate double shower cubicle with aqua jets double seated and radio.
