Nestling on the banks of the River Ness in the beauty and tranquillity of the Ness Castle River Estate yet just 2 miles from the city of Inverness these two fabulous properties enjoy gorgeous views across the river and direct access to paths leading to Loch Ness itself. The last word in style comfort and location each property boasts its own individual character. River Lodge is a fabulous 'Colorado' style lodge providing complete relaxation and seclusion for larger parties. It boasts a magnificent entrance with vaulted cathedral ceilings and double height window overlooking the river and is stunningly furnished in multicultural fashion whilst all bedrooms have ensuite facilities and internet access. New for 2010 and perfect for a relaxing break Ghillies Lodge is a superlative ranch style pagoda offering a similar finish to its spectacular neighbour. Close by on the estate and as well as providing a hot tub and steam room for visitors' use 'The Bothy' also offers a beautifully furnished dining room where chefs are available to prepare delicious meals catering for private parties of up to 70 guests. Advance booking required.

Ness Castle River Estate lies in the heart of magnificent game fishing and golfing country and with lovely walking on the doorstep it is an ideal location for nature lovers and sporting enthusiasts alike. Culloden Battlefield Cawdor Castle Loch Ness cruises and dolphin spotting on the Moray Firth are among the myriad delights within easy reach. And at nearby Inverness visitors will find a wealth of historic and cultural attractions as well as good shopping bars cafes and restaurants.

Spacious sitting room with open fire and dining area. Well equipped kitchen with Range cooker. Utility room. Wet room/WC. Three double bedrooms with zip and link beds (twins by arr) and ensuite bathroom/WC (shower over bath). Mezzanine floor: Minstrel gallery. Library.
