Perfect for a romantic break this charmingly furnished 'Finnish' lodge is named after the numerous hares that leap and bound over the meadows lining its long approach drive. Peacefully set on a working farm – offering farm walks in undulating countryside tennis and coarse fishing on a 2 acre lake – it lies just 3 miles from historic Lincoln's soaring cathedral castle and fine shopping. County Show Ground aircraft museums and antique hunting nearby; lovely Wolds and coast easily accessible. Shops and inns within 3 miles.

Comfortable open plan sitting room with kitchen and dining areas. Utility room. Double bedroom with four poster bed and ensuite bathroom/W.C. with corner bath and separate shower cubicle.
