

Apt 1 Terrapins (Lower)

Buckley Street
, Devon holidays
South West England

Phone: See website

Terrapins is a substantial property divided into two attractive and tastefully presented apartments, each offering superb accommodation for families or up to three couples. The apartments have each been fully refurbished in 2008 and enjoy the benefit of gas central heating and hot water, and double-glazed windows making them ideal for holidays and short breaks out of season. The lower apartment covers the ground and first floors of the property whilst the upper apartment form the second and third floors. Wooden flooring to the living/dining area and carpeting throughout the bedrooms. Strictly no smokers or pets permitted.
