A very well presented first floor apartment in the very heart of Dartmouth overlooking the prettiest street in town. It is very well equipped and furnished to a good standard having been fully re-furbished in preparation for the 2009 season, and is a perfect base for couples looking for a central location close to shops, pubs and restaurants. Mainly carpeted throughout but with wood laminate flooring in the kitchen. Combi-boiler for heating and hot water. Strictly no smokers or pets permitted.
