Set in an idyllic country location yet only 4 miles from the coast, Higher Norton Farm offers an excellent base from which to explore the beautiful South Hams. The farm is approached along a country road and down a private drive some two miles from the village of East Allington. The market town of Kingsbridge is just 15 minutes drive away from where you can take a leisurely steamer excursion along the estuary to Salcombe. The two mile shingle beach at Slapton Sands is a 10 minute drive away, as is the famous 'Ley' at Torcross for bird watchers, whilst sandy beaches are a short drive away. If the kids have any energy left after all this activity, Woodlands Leisure Park is just seven miles away. A Welcome Pack is provided free of charge including a bottle of wine, milk, bread, butter, jams/marmalade and free range eggs.
