A beautifully refurbished Victorian semi detached house with comfortable family accommodation on three floors. The property has been extensively modernised and furnished to a high standard throughout with views over the estuary from the front of the property. Parking for two cars on a private driveway beside the house. This property is strictly non smoking. Hot water and central heating/under floor heating by gas fired boiler. Oak and slate flooring on the ground floor and sea-grass carpets throughout the first and second floors. Broadband internet available.
