South West England

Phone: See website

Little Cotton Farm is set in 3 acres of land in a beautiful location at the end of a country lane yet just 5 minutes drive from the famous naval town of Dartmouth. In spite of the rural location the local 'Park & Ride', regular bus service, Leisure Centre and supermarket (Sainsburys) are all within a convenient short walking distance. The farmhouse and adjoining barn at Little Cotton have been fully re-designed and rebuilt in readiness for the 2009 season. Each has been sensitively reconstructed and provides a very high standard of accommodation whilst retaining many of the traditional features and characteristics of the original buildings. Little Cotton is set in beautiful tranquil countryside with no road noise yet is highly accessible and close to local facilities.
