Fairholme Thatch is a very pretty Grade 2 thatched cottage (at the end of a terrace of three), extensively re-furbished and renovated in recent years to a high standard throughout. The cottage balances many original character features with a modern, contemporary interior design and offers cosy, welcoming accommodation at all times of the year. Mostly tiled flooring on the ground floor with carpet on stairs and in first floor bedrooms. Gas-fired central heating and hot water. Telephone and wireless broadband internet available. Strictly no smoking or pets permitted.
