Fulmar is one of five stunning new homes in a select development within a few yards of Hallsands beach and the stunning Start Bay coastline. The cottage has been tastefully furnished and presented to a very high standard and offers flexible accommodation over three floors for either one/two families or smaller groups looking for a luxury retreat in a beautiful location. Mainly oak laminate flooring throughout with carpet at second floor level. Gas-fired underfloor heating and hot water. Wireless broadband supplied for internet access and telephone available for incoming and local calls. Smoking is not permitted but up to two well-behaved dogs (subject to breed/size) are allowed.N.B. For larger parties or groups looking for adjacent accommodation (sleeping 16 in total) please note that Fulmar adjoins a similarly presented 5-Star cottage - Guillemot(new property - available from March2010)
