Harbour Lights is a stylishly presented town house on 3 levels offering a very high standard of accommodation for perhaps two families or up to three couples. The property has been significantly upgraded in preparation for the 2007 season and enjoys the benefit of three balconies, a large decking area and upper terrace to take in the sun at all times of the day. Gas fired central heating and hot water. Regret no pets. Strictly non-smoking. (N.B. As there are a total of five flights of external/internal steps/stairs this property may not be suitable for very young children and/or those with mobility difficulties).
