

Kimberly House

10 South Town
, Devon holidays
South West England

Phone: See website

A well presented semi-detached townhouse on four levels offering a very good standard of accommodation and excellent river views. The house is well maintained and presented, and ideally located in the very heart of the town, close to the river's edge! Fitted carpets in most rooms and on stairs. Gas fired central heating and hot water on demand. Telephone available (with honesty box). Strictly no smoking or pets permitted. Regrettably this property is not suitable for children under 5 years of age.
