A very well presented traditional Devon cottage dating back originally to the 1750's. The cottage has been fully modernized in recent years and is within easy reach of local beaches and other amenities - it provides a very good standard of accommodation and ideal base for one/two couples or a young family. Oak flooring throughout most of the ground floor with carpet on stairs and in bedrooms. Oil fired central heating and hot water. Wireless broadband internet available. Strictly no smokers but up to two well behaved dogs are permitted by arrangement.
