, Devon holidays
South West England

Phone: See website

A delightful detached thatch and cob cottage with fine sea views significantly upgraded in recent years. This pretty thatchedcottage is full of original character features including exposed roof timbers and large Inglenook fireplace, yet benefits from many modern facilities such as oil-fired central heating and hot water (as well as an immersion heater for hot water as back up). Mostly carpeted throughout with tiled kitchen floor. Regret no pets. Strictly no smoking.
