The Old Mariners House is a well presented cottage on three levels offering a good standard of accommodation and lovely river views. The cottage was significantly upgraded in 2007 and is an ideal 'bolt hole' for a couple or a family with older children in the heart of the town, just a few minutes walk from the river's edge! Mainly oak flooring throughout. Gas fired central heating and hot water. Regret no pets and no children under 14 years of age are permitted at this property. Strictly non smoking.
