

Osborn House

, Devon holidays
South West England

Phone: See website

Deceptive from the outside, Osborn House is surprisingly spacious. The accommodation is bright, airy and tastefully furnished to a good standard. Positioned at the end of a row of privately owned former coastguard cottages, this house occupies a prime position a few yards from the sandy beaches in either direction - the village pub, shop and other amenities are all within a short walk and the South West coastal path can be easily accessed for beautiful walks to Salcombe and surrounding villages.
