Wheelwrights is a beautifully renovated barn within a small development just a mile or so from the picturesque village of Slapton. The delightfully presented accommodation is divided over three levels with the main living area on the ground floor leading out to a good sized garden. The barn has full oil fired central heating and hot water and the benefits of double-glazing, making it a cosy retreat for out of season holidays. Mostly wooden flooring throughout with carpets in all bedrooms. Strictly no smokers or pets permitted.
