The Salcombe (formerly the Salcombe Hotel), is situated in Fore Street, on a prominent site with long water frontage and is centrally placed for all amenities. Magnificent views from all flats of the main anchorage, towards South Pool Creek and the beaches at East Portlemouth. Apartments within this attractive building offer central heating if required and use of communal facilities as follows: the gardens around the property, laundry room, parking for one car per flat, mooring on the pontoon for one dinghy (overall length including motor 4 metres/15') and heated swimming pool available from the Spring Bank Holiday weekend until the end of September. A lift is available from the reception area, on the first floor, and the third and fourth floors only. There is also a restaurant and wine bar within the building.
