Apartment 1, Oceans Edge
, Devon holidays
South West England

Phone: See website

Oceans Edge is a stunning development of eleven luxury ocean front apartments, right on the waters edge - many with breathtaking views of the South Devon coastline. The apartments are just a short walk from the beach at Thurlestone Sands and adjacent to the South West Coast Path. The historic villages of Thurlestone and Hope Cove are nearby, with hotel, golf and restaurant facilities together with local pubs, village store and post office. Relax in the delightful heated kidney-shaped swimmingpool available throughout the main season (please check the dates with our team) and enjoy the good sized gardens that surround the development.
