Little Cotton Barn is set in 3 acres of land in a beautiful location at the end of a country lane yet just 5 minutes drive from the famous naval town of Dartmouth. In spite of the rural location the local Park & Ride, regular bus service, Leisure Centre and supermarket (Sainsburys) are all within a convenient short walking distance. The Barn and adjoining Farmhouse has been sensitively reconstructed and provides a high standard of accommodation whilst retaining many of the traditional features and characteristics of the original buildings. Little Cotton is set in beautiful tranquil countryside with no road noise yet is highly accessible and close to local facilities.
