Pebbles is one of a number of grade II listed converted farm buildings set about half a mile from Noss Mayo. The property was fully renovated in 2008 to provide a high standard of accommodation (reverse level) over two floors. Decorated in a stylish seaside theme throughout the property is an ideal base for couples wishing to explore the beautiful South Hams countryside with superb walks from the cottage along the nearby coastal path and with numerous secret "smugglers" coves to discover.
