Only a 5 minute walk across meadows from the peaceful and sheltered farmstead setting of these two cottages leads to the shops and village inns of picturesque Edale (a mile by road) and the start of the Pennine Way and its trail over 30000 acres of National Trust owned High Peak. Converted from an old stone barn and very comfortably fitted and equipped these spacious cottages enjoy shared use of a paddock garden with a stream and are adjacent to the owners' farmhouse home. This is excellent walking country with a glorious landscape of heather clad moors and wind sculptured stones. Pony trekking locally. Cycle hire available 2 miles. Good fly fishing is available at Ladybower Reservoir 8 miles away.
